Meet Elizabeth Pyne

Decorating is in her blood. She's the third generation in her family to work at the legendary firm McMillen Inc., and her interiors are lively, poised, and self-assured.

A VIBRANT ROOM FOR DINNER PARTIES

A young couple with three children in Richmond, Virginia, wanted a space to entertain that didn't feel stuffy. Pyne struck a balance between formal and youthful by splashing the room in an exuberant Zoffany floral fabric crisply tailored with Samuel & Sons fringe and button tufting. The owners bought the glass chandelier during a memorable vacation in Venice. "Seeing something you love every day makes you happy," Pyne says.

SOME OF PYNE'S FAVORITE THINGS

▲ LOUIS XV OPEN-ARM CHAIRS

"So pretty—and sturdy. I have a pair, and when I entertain, guys go right to them. They come up at auction often and can be surprisingly affordable."

> ZIP-TOP BOAT AND TOTE BAG

"I cram a ton into mine, and thanks to the zipper, it can be tossed around without things spilling out." From \$25. lbean.com

THERE'S A HINT OF KLISMOS TO THE CHAIRS, WHICH ALLOWS THEM TO EMBRACE THE MODERN TABLE.

> CLARENDON MIRROR

"I frequently use round mirrors in my work. This one has a terrific size and sunburst shape, and you can't beat the price." \$249. crateandbarrel.com

▲ FABRICS

"The painterly birds and handmade feel make me smile." luludk.com. "A rich neutral with subtle detail." quadrillefabrics.com

> ARABESQUE WALLPAPER

"A wonderfully tactile plaster finish that works as a neutral and takes well to paint." weitznerlimited.com

◀ WHITE HEAVEN

"It's a soft, adaptable purple that reads slightly blue and is incredibly soothing." benjaminmoore.com

WE SENT ELIZABETH TO SHOP ANTHROPOLOGIE. HERE'S WHAT SHE FOUND!
anthropologie.com

"The Radana Rattan Bed has an Art Nouveau-like form, but the rattan makes it so modern." From \$1,298.

"I love the metal-feather handles of the Langholm Cheese Knives. The perfect hostess gift." \$36 for set of three.

"The Mirrored Console would look great in an entry with dark lacquered walls." \$1,398.

GRASS CLOTH-COVERED WALLS SOFTEN THE SPACE.
